

Stan with wife Kristi and daughters Olivia and Abby Francis

Committed to Our Community With A Vision for Our Future

I have been honored to serve as your District One Tuscaloosa County Commissioner since 2012. During this term, we have invested in District One communities by funding five Tornado/ Storm Shelters, installing new traffic signals and other safety enhancements to our roadways and constructing new recreational amenities in our parks. While doing so, Tuscaloosa County has remained in sound financial condition with no debt and ample reserve funds for future needs. With your on-going support, we will continue to move Tuscaloosa County forward into an ever brighter future.

My Priorities Will Continue to Be:

- ★ Economic development and job creation through careful strategic planning
- ★ Professional, conservative financial management that provides full value for the taxpayer's dollar as well as a reinvestment of reserves into enhanced services
- ★ Creative approaches to improve the county's infrastructure and the citizens' quality of life.

Vote Republican in the November 8, 2016 General Election

Sorry
I Missed
You
